DETAILED ACTION

Response to Amendment

1. To expedite prosecution, the examiner had called the applicant's represent Michael D. Murphy on May 31, 2005, to propose an Examiner amendment to allow the application. However, the applicant's represent refused to make any changes in claims to overcome the insufficient antecedent basis problem. Therefore, the examiner is withdrawing the finality of the last action and issuing this office action to reject claims 19-24 under 35 USC 112 as being vague and indefinite.

Claim Objections

2. Claims 17 and 18 are objected to because of the following informalities:

In claim 17, line 18, "clock edges" should be changed to "said clock edges" or "the clock edges".

Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Art Unit: 2634

4. Claims 19-24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 19 recites the limitation "said next clock edge" in line 8. There is insufficient antecedent basis for this limitation in the claim.

Claim 20 recites the limitation "said next clock edge" in lines 2, 5 and 8. There is insufficient antecedent basis for this limitation in the claim.

Claim 24 recites the limitation "said next clock edge" in lines 5 and 9. There is insufficient antecedent basis for this limitation in the claim.

The examiner suggests changing "said next clock edge" as recited in above lines of claims to "said clock edges" or "one of said next clock edges".

Allowable Subject Matter

5. Claims 1 and 3-16 are allowed.

6. Claims 17 and 18 would be allowable if rewritten to overcome the objections, set forth in this Office action.

7. Claims 19-24 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
